Introduction

Bachelor of Arts Program in Chinese (International Program), Faculty of Liberal Arts, Mahidol University was initiated in 2019 as a flexible program with expectations that the graduates of the program will have high competency of Chinese, can communicate in English effectively, have the 21st century skills, and have essential moral and ethics as a global citizen. The students' expected learning outcomes were designed for the future market's needs and their further study.

This handbook provides essential information about the program description, program structure, study plans, extracurricular activities, scholarships, facilities, the faculty's and the university's regulations and rules, and other information that may be useful for students to attend and receive an education in the program.

Yuwadee Tirataradol, PhD
Program Director

Therefore, this flexible program presents an opportunity for students to choose their study plan upon their interests and abilities. Moreover, the plans for dual degree were developed between 2019 and 2020 in cooperation with School of Humanities, Shanghai Jiao Tong University and the study will take place there in the 2nd and 3rd academic year.

Message from the Dean

The Faculty of Liberal Arts at Mahidol University implements flexible and up-to-date curricula to serve learners' demands, and societal changes at both micro and macro levels. In addition, the Faculty has collaborated well with leading global universities, and other national and international institutions to offer a wide range of opportunities for students to enhance their knowledge and experiences—under the Faculty's vision to be a “leading national liberal arts institution”.

In the meantime, the Faculty is strongly determined to promote well-rounded students in both the arts and sciences—having critical thinking skills, solving problems intelligently and ethically, being global citizens who always value the connectivity and interdependence of the global community, and being beyond any apparent differences caused by language, culture, and race.

The Faculty of Liberal Arts welcomes all new students. We wish all of you a cherished and nourishing learning experience for the entirety of your time at Mahidol University. May you spend this precious time discovering and growing in all respects, opening up to new perspectives, and progressively developing yourselves to be desirable and valued graduates—sources of “Wisdom of the Land”.

Desirable Attributes of Mahidol Graduates

1. Program Philosophy

To educate students to become intellectual and successful graduates who achieve the program's expected learning outcomes, this program follows the principles of outcome-based education in which all learning outcomes can be achieved through learning-centered approach and constructivism theory. The graduates' characteristics will also align with the National TQF Graduates Competencies and MU Graduate Attributes.

2. Program-level Learning Outcomes

At the end of the program, successful students will be able to

- 1) Communicate in the high level at HSK level 6 or equivalent of Chinese with target audience correctly, appropriately and ethically in each situation;
- 2) Evaluate knowledge and information in terms of Chinese language and culture critically and ethically;
- 3) Express academic opinions about Chinese or China in English to target audience clearly and purposefully;
- 4) Create and construct an argument about current Chinese issues effectively;
- 5) Complete a term paper in Chinese on a topic of Chinese systematically and ethically;
- 6) Work individually with responsibilities and ethics consistently; and
- 7) Cooperate with others to achieve team goals based on situations and roles effectively.

3. Study Sites

Plan A: All academic study will take place at the Faculty of Liberal Arts, Mahidol University.

Plan B1 and B2: The study will take place at the Faculty of Liberal Arts, Mahidol University during the first and the fourth year of the program, while the study in the second and the third year will take place at the School of Humanities, Shanghai Jiao University, PRC.

4. Requirements for Plan B1 and B2 Students at Shanghai Jiao Tong University

BA in Chinese students who would like to study at Shanghai Jiao Tong University to develop their learning experience in the field of Chinese language and culture or business Chinese in a multicultural-international environment during the second year to the third year of study have to meet the following criteria:

- 1) Successful completion of the first year of the BA in Chinese program at the Faculty of Liberal Arts, Mahidol University
- 2) An overall HSK level 5 score of 180 or the approval of the Program Committee
- 3) A medical certificate verifying no mental health problem from hospital or institute that related to mental health assessment

5. Educational Management System and Academic Calendar

1. Educational Management System

1.1 System

Semester system: Each academic year is divided into two regular semesters--Semester 1 and Semester 2. Each Semester consists of at least 15 weeks.

1.2 Summer Sessions

According to Mahidol University's Regulations on Diploma and Undergraduate Studies of Year B.E. 2552-2563 and the Faculty of Liberal Arts's Announcement of Year B.E 2553, Summer session is not a compulsory session. For the Faculty of Liberal Arts, a summer session of any courses can be offered when at least 15 students who failed the course during the regular semester enroll on the summer session.

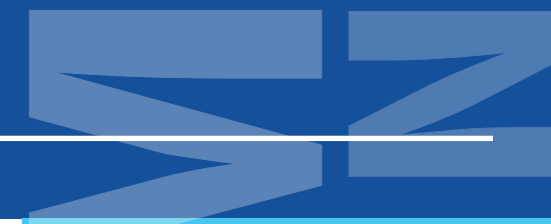

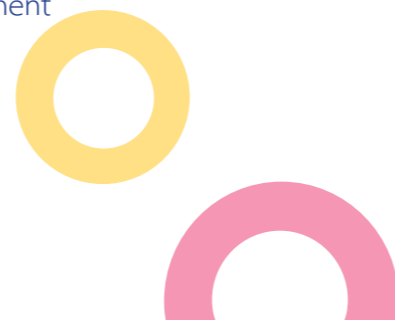

2. Academic Calendar

In regular management, the offered courses are scheduled during normal working hours (08:30 a.m. - 04:30 p.m.) on weekday (Monday – Friday). However, teaching and learning outside of normal working hour are possible with appropriate management.

Semester: 1st Semester: August - December

2nd Semester: January - May

The academic calendar is subject to change according to the decision of the University Council.

1. Registration Period

New students register for classes during the orientation week--the week before the semester starts. Returned students register approximately 1-2 weeks before the start of each semester. The registration dates can be found on the Academic Calendar, which is available at the Office of Academic Affairs or on the Faculty of Liberal Arts website.

2. Course Changes (add/drop) and Withdrawal Period

Students can request to add, drop, and withdraw from courses provided the instructors approves and the request is approved by the Dean or a person appointed by the Dean. An approval is given according to the following criteria;

1. Adding a course: Request for adding an additional course must be submitted within the second week of a regular semester, counting from the semester's start date or within the first week of the summer session. For courses that are not offered at the start of the session, adding can be requested within the first week from the start of the course.

2. Dropping a course: Dropped courses will not appear in the transcript for the grade report and not be counted as formerly enrolled if the dropping request is submitted within the second week of a regular semester, counting from the semester's start date. As for the courses that are not offered at the start of the semester, request for dropping can be submitted within the first week from the start of the course.

3. Course withdrawal: For regular semester, request for course withdrawal can be submitted after the second week from the start of the semester until the last two week before the start of the final examination period. For the summer session and any courses that do not start at the beginning of the semester, request for course withdrawal can be done after the first week of the course until the week before the start of the final examination period. Withdrawn courses appear in the transcript and the grade report and are counted as registered courses. Reasons for approval and disapproval of the request shall be clarified by the Dean or an appointed person.

Student Affairs at the Faculty of Liberal Arts is a division that supports the missions of the university and faculty and organizes activities to enhance student skills and experiences.

Student Activities at Mahidol University

Mahidol University has a policy of supporting and developing student activities to enhance student's moral and ethical experiences, support their physical wellbeing, and develop their character thus allowing them to grow as individuals, lead happy lives, and be of service to society. Therefore, the university has ordered that every Wednesday from 1:00 p.m. onward there be no classes so that lecturers and students can fully participate in extracurricular activities in support of the curricula.

Mahidol University has put together novel extracurricular activities focused on molding students into global citizens and global talent who comprehend life in the 21st century. The activities aim to help students develop skills beyond the curricula and are designated as "Mahidol HIDEF" which encompasses extracurricular activities in the following five areas:

1. Health Literacy: Appreciation of and ability to live a life of good health
2. Internationalization: Being international
3. Digital Literacy: Ability to comprehend and use digital technology
4. Environmental Literacy: Understanding and knowledge of the environment
5. Financial Literacy: Financial, economic, and business understanding and proficiency

Activity Transcript (AT)

The Activity Transcript database system records and compiles information pertaining to a student's participation in extracurricular activities during the student's years of study at Mahidol University. Furthermore, once a student has attended the total number of activities as required by the university, the student will receive an activity transcript certifying attainment of the requirement. A student can check his or her activity participation history via www.activity.mahidol.ac.th.

The Faculty of Liberal Arts has carried out the policy of the university by supporting and creating activities that align with all five areas of student development since 2019. Students can search for activities through the Activity Transcript system (www.activity.mahidol.ac.th) and can accumulate the required 100 hours as per the university announcement. Upon completion of university studies, students will receive a certificate with details of their activity participation results which can be used when, for instance, applying for a job, scholarship, or exchange either inside or outside the country. Each student will also gain experience outside the classroom that is necessary and beneficial for the future.

Contact details:  <https://www.facebook.com/MULA.students>

Benefits of the Activity Transcript

1. Students can submit it as a supporting evidence when seeking employment.
2. Students can use it as evidence to apply for a scholarship for, for instance, future studies or foreign exchange either inside or outside the country.
3. By participating in the university's numerous activities, students will gain various experiences outside the classroom that are necessary and beneficial to their future lives.

How to Participate in Activities through the Activity Transcript System

There are two ways for students to find and take part in activities.

1. On site

- 1.1. Access the Mahidol Activity Transcript website (www.activity.mahidol.ac.th).
- 1.2. Choose the icon: "Find Activity".
- 1.3. Enter the system by logging in with their student ID which is the same code used to access the university Internet, via the Mahidol University website and Division of Student Affairs Facebook page, or through the faculty or college.

2. Online

- 2.1. Access the MUX website (<https://mux.mahidol.ac.th>).
- 2.2. Log in with the student's username and password.
- 2.3. Choose an Activity Transcript activity. Each activity or lesson has its own conditions for obtaining hours depending on the particular activity or lesson. Alternatively, the student can gain access through the Division of Student Affairs Facebook page.

Requirements for Passing and Receiving the Activity Transcript

1. Required activities must be no fewer than two activities totaling six hours, the conditions of which are as follows:

- 1.1. The new student orientation held by the university, faculty or college, equaling one activity of three hours
- 1.2. A Wai Kru ceremony held by the university, faculty or college, equaling one activity of three hours

2. Elective activities must account for no fewer than 94 hours, with the following conditions:

- 2.1. Volunteer activities of no fewer than ten hours
- 2.2. Mahidol HIDEF activities in three areas (no fewer than ten hours in each area)
- 2.3. Activities boosting other 21st-Century Skills that are not required

Remarks: Students must pass the requirements set by the university to obtain the activity transcript. Toward the end of his or her university studies, the student must check to make sure he has passed all the university requirements. If the student meets the requirements, he may submit a request or petition to the university to issue an activity transcript. More information is available in the Mahidol University Announcement on Student Participation in Extracurricular Activities as posted on the Mahidol Activity Transcript website (www.activity.mahidol.ac.th).

Student Organizations and Clubs

Mahidol University Student Organization

University life involves more than just studying in classrooms. Learning from one's surroundings and gaining experience from participating in or organizing activities are important elements of a fulfilling and complete university life that will enable students to confidently step out into the real world.

Recognizing the importance of this concern, the university has arranged for designated units to organize student activities both at the university level and faculty or college level. This unit is referred to as the Student Organization and consists of the Mahidol University Student Council, Mahidol University Student Association, faculty or college student associations, and clubs, with the following details:

Mahidol University Student Council

The Mahidol University Student Council is a representative body of all Mahidol University undergraduate students that works for students' benefits and rights ensuring they receive fair treatment from the university. The student council is responsible for regulating and inspecting the various activities to ensure they meet the objectives and policies of Mahidol University and create the greatest benefit for students.

It also provides an evaluative report of each year's activities to the University President and protects student rights making sure students receive justice in accordance with the law and university policies.

Contact details: 

<https://www.facebook.com/MUSCouncil/>

Mahidol University Student Association

The Mahidol University Student Association is responsible for managing activities in accordance with the university regulations. It puts together the annual program plans and budgets for the student association and clubs for further proposal to the Student Council. It is also able to call a meeting of all students to provide clarification on various topics as needed. At the beginning of each academic year the Student Association organizes the We Mahidol: Social Engagement “เบิกฟ้ากิจกรรม” activity where students sign up for various clubs.

University Clubs

University clubs are the students gathering together to organize activities that meet each club's objectives. Clubs focus on different areas including sports, art and culture, public service, and academics and are all under the supervision of the university's Student Association.

Liberal Arts Mahidol University Student Association

The Student Association of the Faculty of Liberal Arts consists of an elected student association director and representatives for first- to fourth-year students for the 2021 academic year who possess the qualifications required by the Mahidol University Regulations on Student Activities B.E. 2557. The Liberal Arts Student Association will conduct program and budget planning for the academic year for the Student Association and clubs of the Faculty of Liberal Arts. It will also support and create activities and information for student development and promote ties and unity among students and alumni for sustainable development. All students automatically become members of the Student Association from their first year of study.

Student Affairs

To contact the Association call 02-4414401-6 ext. 117.

Remarks: The first-year student representative will have his or her name put forth for approval after elections are held to elect the 1st-year president. The election will be held at the start of the first semester (during the period of August to September).

Faculty of Liberal Arts Club Programs and Activities

Students in the Faculty of Liberal Arts can group together to creatively engage in activities that are of interest to them in the form of a club under the supervision of the Student Association and the Student Affairs of the Faculty of Liberal Arts, Mahidol University. The faculty clubs are divided into four categories: sports and recreation, art and culture, public service, and academics. At present the Faculty of Liberal Arts has six clubs as follows:

1. A LA Carte Online Magazine Club
2. LAMU Volunteer Club
3. Thai Dances Club
4. LA Dance Club
5. LA Recreation Club
6. LA Voice Club

Students can find additional information at <https://la.mahidol.ac.th/education/>.

Scholarships

Students can check the details of the available scholarships, which are as follows:

1. Mahidol University Scholarships

Mahidol University is an educational institute that creates quality graduates and quality research in several subject areas. It aims to produce high quality graduates according to the national development guidelines and policies, provide learning that caters to the various demands of the learners, and ensure equal access to learning. The Mahidol University Division of Student Affairs therefore provides scholarship services to promote and support all who have been admitted to study at the university and also students in need of financial aid as they work to successfully complete their university studies. The details of the services provided by the university are provided below.

The international exchange scholarship promotes and supports undergraduate students, enabling them to travel for an academic exchange at a foreign educational institution. Students will also be able to broaden their horizons and build good relations with students from foreign institutions. Mahidol University also offers scholarships for student mobility abroad (partial scholarships) for those enrolled in its undergraduate programs. Students can request an application form at the faculty, download it from <https://op.mahidol.ac.th/ir/mu-scholarships/> or ask for more details by contacting Mr. Sayam Spanuchat International Relations Division at the Faculty of Liberal Arts.

1.2 Membership

The Faculty of Liberal Arts students can subscribe for membership and renew their membership personally at the Faculty of Liberal Arts Library on the 2nd floor of Sirividhya Building at the Faculty of Liberal Arts, Mahidol University or online at <https://forms.gle/XTbjmbZvsviS7OyWA>. Each student's membership will last for 1 academic semester and they will need to renew the membership every semester. To subscribe or renew membership, students must present their student ID card or "We Mahidol" application.

1.3 Check Out Policy

Students can check out a maximum of ten books for ten days. Each borrowed book can be renewed twice to extend the loan period provided there if no other patron requesting it. To renew the loan period, students are asked to bring the books and library member card to the library or renew the books themselves online at www.li.mahidol.ac.th.

1.4 Overdue Fines

Students must return books or extend their loan period (as long as no one else has reserved the books) within the due date. If they miss the due date, the library will charge a fine of five baht per book per day for general books and five to 30 baht per book per day for thesis papers or reserved books. The student will also not be allowed to borrow any books if the amount owed exceeds 100 baht. Moreover, failure to pay library fees will affect a student's request to graduate.

1.5 Loss of Materials

If a student loses or damages a library book, the student must inform the service counter, return the item immediately, and purchase a new book to compensate the library as well as pay a processing fee of 200 baht or the fine to repair a damaged book.

1.6 Book Delivery Service

The Mahidol Library Book Delivery is a service that helps students save time and access materials more conveniently. All library members can borrow books from other faculty libraries outside the Salaya Campus and receive them within three days. Students should contact the library staff for the service.
